Elevated Experiences

FROM EVENTS TO EXPERIENCES

Events that truly connect people. Powered by AI.
Enjoee is the AI-first Event Management System that makes organizing simple and experiences unforgettable. From registration & check-in to **private, opt-in networking**, live translation, and analytics, everything in one seamless platform.

DIGITAL PLATFORM FOR EXPERIENCE MANAGEMENT

With Joee, your AI event assistant, you can create or update any event just by talking in chat. No tech skills needed: agenda, speakers, tickets, landing page, all done in minutes. Check-in becomes effortless and fast, live translation breaks language barriers, and Business Connect helps participants build real connections that last.

Deliver a Modern Mobile Experience

Provide Your Attendees with a Digital Experience Management Mobile App with all they need: **venue details, parking info, schedules and session materials** - for a connected, seamless experience.

Your badge is more than access — it's your key to real connections.
Complete your profile, scan your badge, and let Enjoee match you

❌ Endless prep & manual work

✅ Joee sets up agenda, speakers, tickets, landing page — just by chat.

❌ Long check-in lines & tech fails

✅ Instant digital tickets + offline-ready check-in keep things moving.

❌ Silent, disengaged audiences

✅ Live feeds, polls, Q&A, quizzes turn every attendee into a participant.

❌ Networking spam & missed connections

✅ Private, opt-in networking + AI translation create real, lasting connections.

❌ Sponsors stuck with "just a logo"

✅ Branded feeds, booths & ROI analytics give measurable sponsor value.

❌ Event impact fades too fast

✅ Media gallery, face-recognition photos & AI notes keep value alive after.

No more generic emails. Here, every message finds the right

PLAN WITH CONFIDENCE, BEFORE THE EXPERIENCE

We know how stressful event organization can be. The antidote? Flawless organization.

Start Engaging with Participants Even Before the Experience Starts

Create buzz with updates about speakers, teasers, and polls.

Effortless Promotion

Share on social media with one click. Build excitement with helpful materials.

All Information in One Place

Contact options via all digital channels and a discussion forum to connect or ask questions.

Swift & Clear Organization

Create your experience, set up details, venue, capacity, tickets, and manage attendee flow.

When the curtain falls, you'll have valuable insights.

Feedback & Detailed Analytics

Access data on attendance, ticket trends, and audience preferences to enhance every future experience.

Community & Follow-Up

Send personalized thank-you messages, collect feedback, and announce upcoming plans.

Easy Future Planning

Your data is stored neatly. Plan your next experience effortlessly while focusing on creativity.

Enjoee transforms the behind-the-scenes hustle of event planning into a smooth, enjoyable experience for both the organizers and participants

Focus on crafting memorable experiences for your guests - we'll handle the nitty-gritty. Let's create extraordinary experiences together!

CHECK-IN BOXES

Effortless Entry. Memorable First Impressions.

Let your event start with a smile.

- Instant badge scanning – digital or printed
- Real-time dashboard updates
- No printed lists – no chaos
- Plug & play setup
- Compact & stylish design for any venue
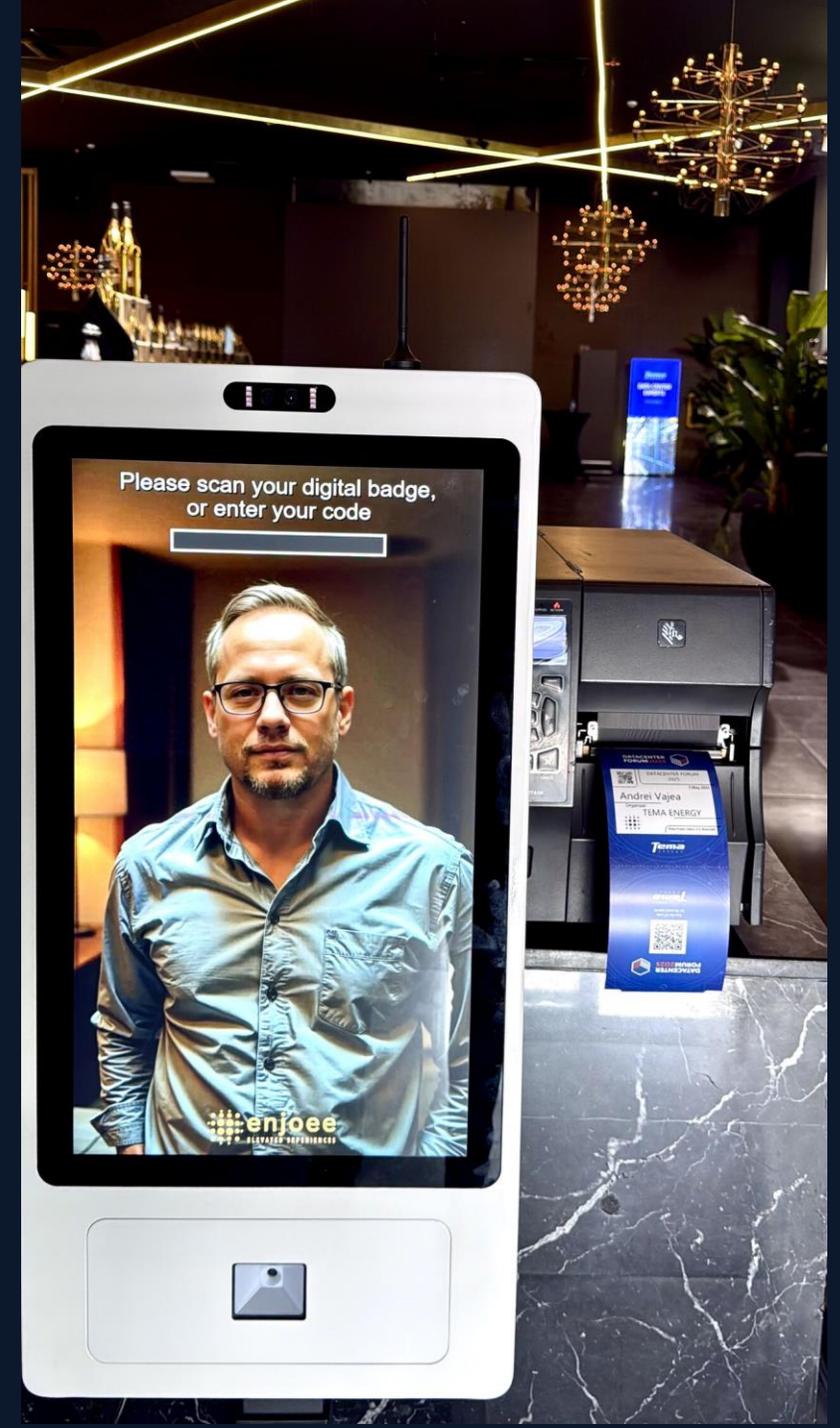

Business Connect:
Smart & Private Networking

Empower participants to connect before and during the event – on their own terms.

With Business Connect, Enjoee enables meaningful networking while protecting participant privacy:

- Participants **opt-in for networking** and set their availability
- Access to **LinkedIn profiles, phone numbers, emails** – only when the user chooses to share
- Optional **Calendly integration** for scheduling 1:1 meetings easily
- Browse participants by role, company, or strategic interest
- Full control over **who can contact or connect** – no unwanted messages
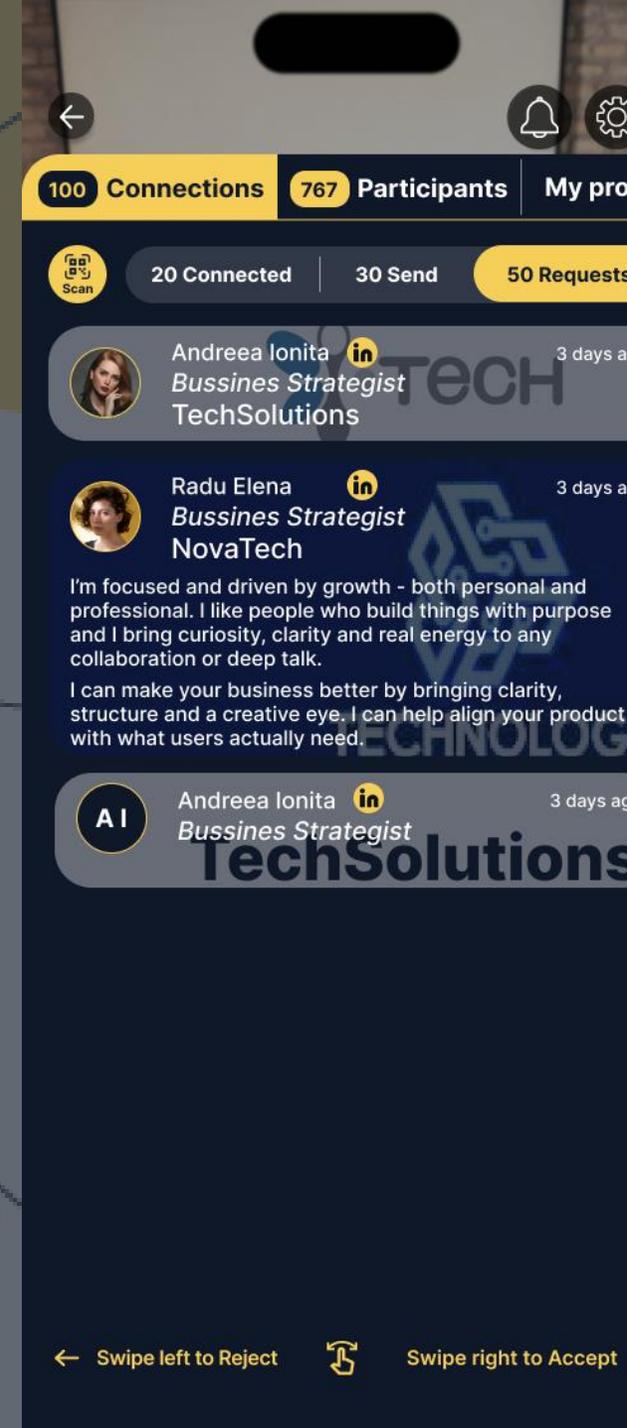

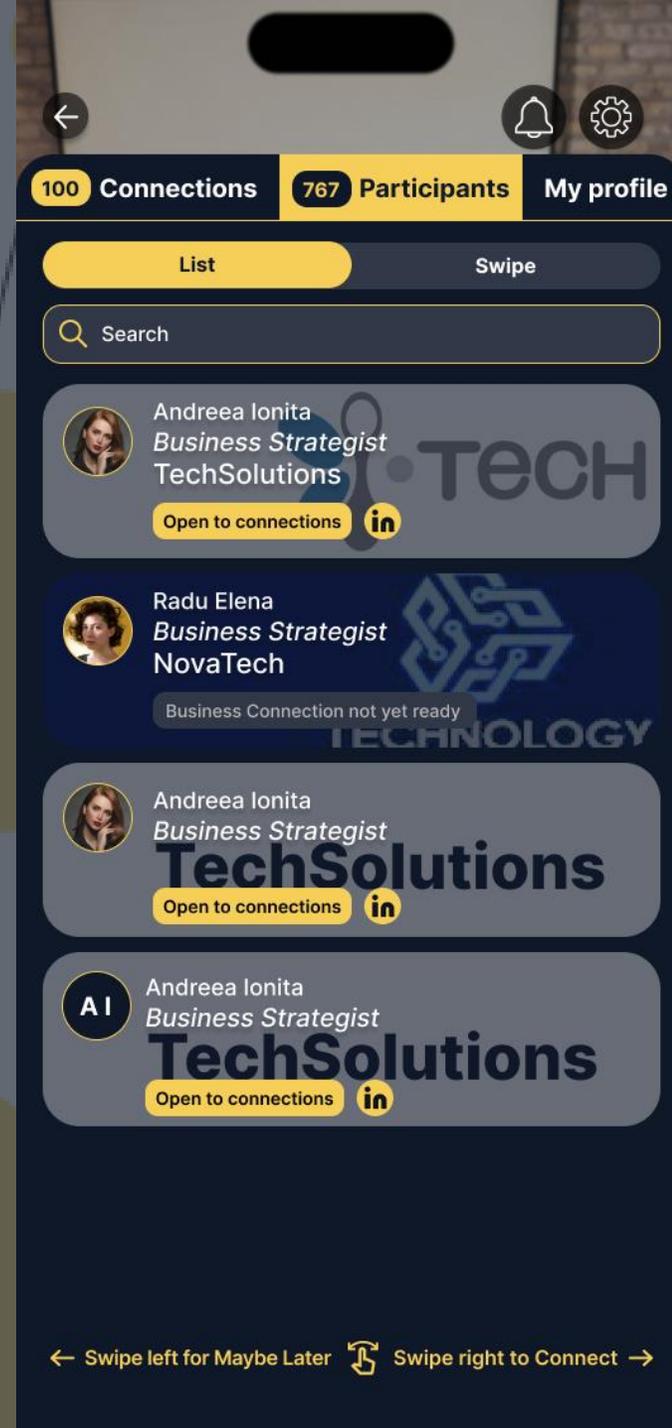

AI Notes & Real-Time Translation

Break communication barriers. Elevate participant experience.

This all-in-one feature set empowers participants to fully engage with content – before, during and after the event:

- Write: Take personalized notes for each session and save them instantly
- Transcribe: Get accurate transcripts of keynotes, panels & workshops
- Translate: Transcribe & translate live sessions into the participant's preferred language – directly on mobile
- Live Translation: Real-time subtitle-style translation for seamless accessibility

AI-Powered Summaries: Instantly generate shareable content for LinkedIn, internal notes, or action points

For organizers:
✓ No extra setup needed
✓ Boost engagement for international audiences
✓ Empower every participant – regardless of language
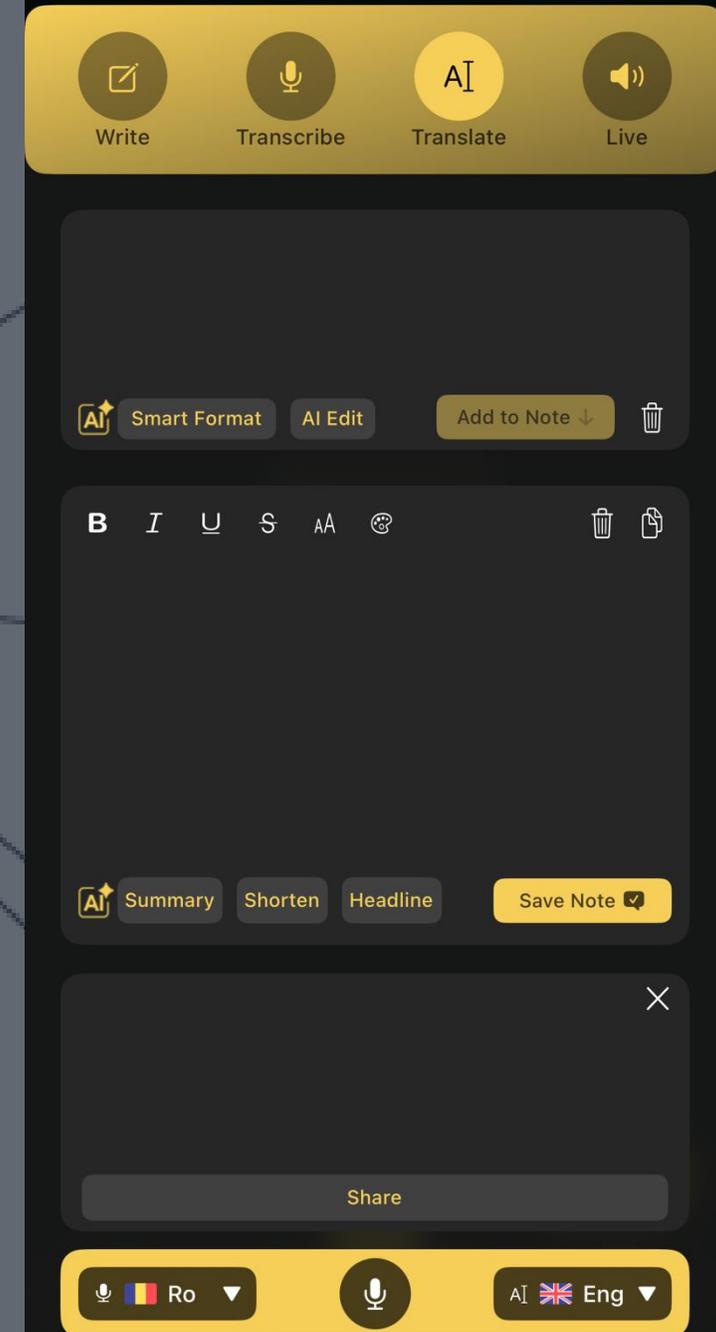

Digital Partner Stands
Give every sponsor and partner the visibility they deserve.
Enjoee helps you showcase and engage your event contributors through personalized digital booths:

- Custom stand for each **Sponsor**, **Partner**, or **Media Partner**
- Company profile with logo, website, contact & custom description
- One-click **Call**, **Email** or **Follow**
- Direct engagement with participants – before and during the event
- Filter by type (Sponsor, Partner, Media) for easy discovery

A smart way to highlight those who support your event – and drive real interaction.
